OUR WORSHIP

St Peter's has a strong tradition of rich liturgical worship with emphasis on the reading and preaching of God's word, the Bible, together with remembering the centrality of Jesus' sacrifice for us through sharing in the Eucharist (Holy Communion).

Music

Music is an integral part of our worship. We sing traditional hymns, retain a professional organist and cantor and engage choirs to accompany special services.

Baptisms, Confirmation, Weddings and Funerals

We support our community in both the joy and sadness of life. We welcome enquiries concerning these services and any other support we can offer.

ST PETER'S IN THE COMMUNITY

We seek to use the resources God has entrusted to us to serve others in our local community and beyond.

At St Peter's we:

- support the work of Anglicare and the local Taldumande Youth Refuge both financially and through practical gifts;
- conduct services in local retirement communities;
- raise funds for mission in Australia and overseas;
- support our rector in his role as a chaplain in the Army Reserve.

The Crafters

The Crafters meet on the third Tuesday of each month at St Peter's - choose your own craft and come to join us.

Movies

On the second Wednesday afternoon of each month we show a classic movie from the recent to the distant past. Discussion follows with afternoon tea.

School Holiday Clubs

The Holiday Club is for primary school children in years K-6 and is held for 2 days each holiday. Activities include art, craft, indoor and outdoor games with a Bible focus. See our website for details.
